

Academic Information

- Third quarter report cards are currently being processed. We still have a few students making up work from the third quarter but as soon as that is completed we will send out report cards. Thank you for your patience as it is taking longer than usual due to the unusual circumstances.
- The College Board is in the process of determining how Advanced Placement (AP) tests will take place this year. Details will be sent to AP students and parents as soon as it becomes available.
- The national ACT date originally scheduled for Saturday, April 4 has been moved to Saturday, June 13.
- A decision regarding Chapelle's standardized testing day for 8th-11th grade students will be decided upon returning to school.

Calendar/Events

All other events and dates will be discussed as information regarding restrictions become available. In the meantime, we are planning many virtual student activities to keep our students involved and engaged. Stay tuned for more information

Service Hours

Due to the various restrictions beyond our control that have been put into place in our area, the service hour requirement has been waived for the duration of the school year. Religion teachers may choose to assign an independent written assignment regarding community service, but no service hours will be required.
